WELCOME STATE HIGH SCHOOL WRESTLING TOURNAMENT

The Dallas Independent School District is honored to have been selected as the host for the 20th Annual Texas State High School Wrestling Tournament. It is our privilege to welcome each of the approximately 220 students and coaches who will be participating in this significant event.

I say significant because this tournament gives students a challenging goal to prepare for. The fact that you are participating says a lot for your self-discipline, determination, your physical fitness and your athletic ability.

Of course, there are many positive outcomes from an event such as this. Some will receive scholarships. Others will gain state-wide recognition for their athletic accomplishments. Perhaps most important, all will gain from the competitive experience.

I hope your stay in Dallas will be both rewarding and enjoyable. You have my very best wishes for success.

— Wrestling Rules —

SECTION 1. Individual Match Scoring

Art. 1 . . . Match scoring must be kept in plain view of spectators, contestants, and coaches. It is strongly recommended that a visible match timing device be available.

Art. 2 . . . When a takedown has been earned, the wrestler will be awarded 2 match points.

Art. 3 . . . When the defensive wrestler earns an escape while the supporting parts of either contestant are inbounds, he is awarded 1 point.

Art. 4 . . . The defensive wrestler who is successful in gaining a reversal while the supporting points of either wrestler are inbounds, is awarded 2 points.

Art. 5 . . . The wrestler in the advantage position is awarded 2 points for a near fall. When the criteria for a near fall are met continuously for 5 seconds, the offensive man will be awarded 3 points after the situation is ended. A visual hand count shall be used when feasible.

Art. 6 . . . Penalty points, because of infractions occurring during competition, will be awarded in accordance with the penalty chart.

SECTION 2. Team Scoring

Art. 1 . . . In dual meet competition, scoring is based upon the results of each individual match as follows: (a) for each match won by default, disqualification, fall or forfeit, 6 points shall be added to the team's total; (b) for a superior decision, 5 points will be added to the team score, a major decision earns 4 team points and a regular decision earns 3 points; or (c) in case of a draw, 2 points shall be scored for each team.

Art. 2 . . . In tournaments, individual placement points shall be awarded as soon as earned. Placement points already earned will be deducted in case of forfeit or disqualification. Points for team scoring will be awarded as follows:

(a) 2 team advancement points shall be scored for each match won in the championship bracket except for the final first place match. If a wrestler receives a bye in the first round, he will be awarded 2 advancement points for that round if he wins his next match. No points are awarded for the bye if the wrestler loses his next match.

(b) 1 team advancement point will be scored for each match won in the consolation elimination except for the final third and fifth place matches.

(c) 2 additional points will be scored for each match won by default, disqualification, fall or forfeit throughout the tournament.

(d) 1 additional point will be awarded for each match won by a superior decision and $\frac{1}{2}$ additional point awarded for each match won by a major decision.

(e) In tournaments scoring 4 places, the winner of each championship semi-final shall be awarded 7 place points and the winner of each championship final shall be awarded 3 additional place points. The winner of each consolation semi-final shall receive 2 place points and the winner of 3rd place shall receive 2 additional place points.

(f) In tournaments scoring 6 places, the winner of each championship quarter-final shall be awarded 1 place point, the winner of each championship semi-final shall be awarded 8 additional place points and the winner of each championship final shall be awarded 3 additional place points.
